

key emissions by 20 percent using technology.

In Wednesday's action, TXU has permits for nine of the 11. The permits are for the Lake Creek radiophouse plants in McLennan County; Big Brown in Freestone County; Martin Lake in Rusk County; and

...

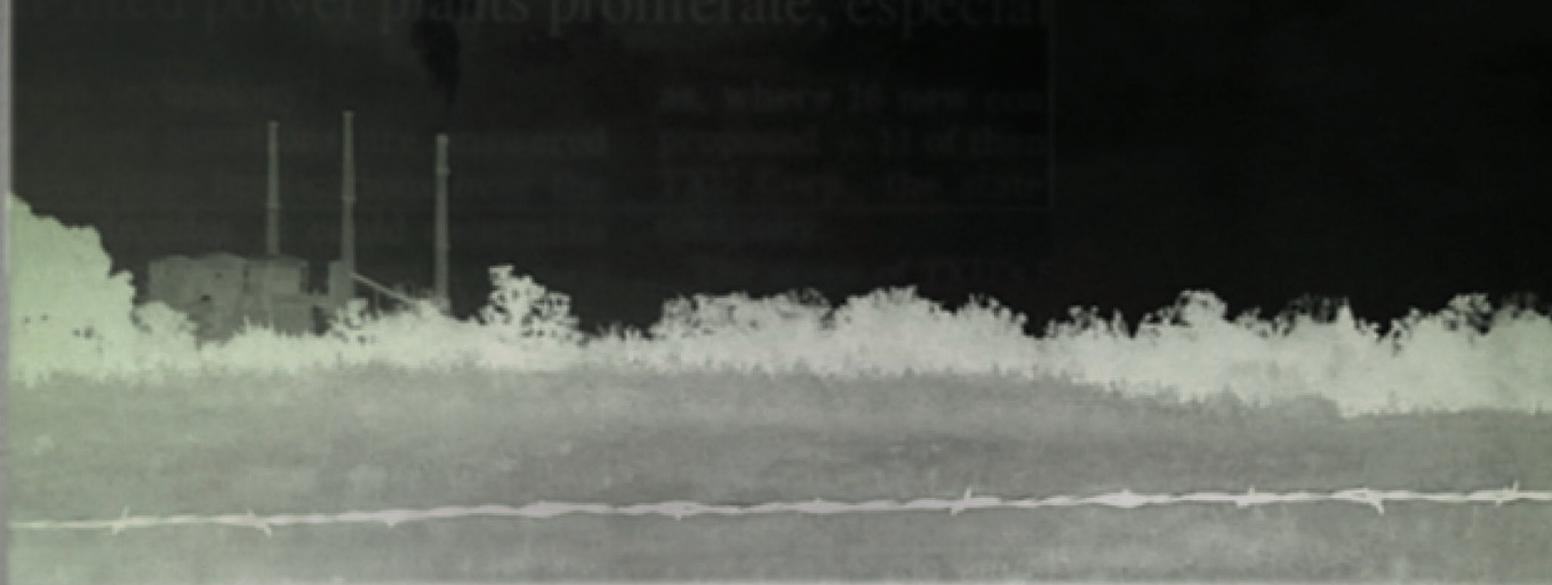

Once official notice is given later this week, the permitting process should be finished by the end of the month. The Office of Administrative Hearings will schedule formal hearings. The process should be finished by the end of the month.

"The fact that this
